Ideation Phase
Brainstorm & Idea Prioritization

Date	23 February, 2026
Team ID	
Project Name	Social Media App (MERN)
Maximum Marks	4 Marks

1. Defining Problem Statement & Brainstorming

1

Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5 minutes

PROBLEM

How might we create a user-friendly social media application?

Key rules of brainstorming

To run an smooth and productive session

- Stay in topic.
- Encourage wild ideas.
- Defer judgment.
- Listen to others.
- Go for volume.
- If possible, be visual.

2

Brainstorm

Write down any ideas that come to mind that address your problem statement.

10 minutes

Gaurav Srivastava

people post their photos & videos	people like posts	users follow other users of same interest	user post amazing videos	users get notifications	person space for users to talk
user set their profile picture	users update their profile details	two users chat with each other	group posts	viewing profiles of other users	viewing all posts of other users
users share photos & videos through chat	video calling	users view each other's stories	manage own posts	delete own posts if needed	viewing own profile
View followings count	comment on posts after viewing	community chats	chatting with multiple users at a time	user set stories	audio chats
live video sharing					

2. Grouping Ideas

3

Group ideas

Use this space to group similar ideas from the brainstorm. Each group should have a title that describes what the ideas have in common. If a group is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

20 minutes

Chats

- person space for users to talk
- two users chat with each other
- community chats
- chatting with multiple users at a time
- users share photos & videos through chat
- audio chats

Stories

- user set stories
- users view each other's stories

Posts

- people post their photos & videos
- user post amazing videos
- delete own posts if needed
- viewing all posts of other users
- manage own posts
- group posts

Like & Comment

- comment on posts after viewing
- people like posts

Follow users, Followings & Notifications

- users get notifications
- users follow other users of same interest
- View followings count

Profile Management

- user set their profile picture
- users update their profile details
- viewing profiles of other users
- viewing own profile

Miscellaneous

- video calling
- live video sharing

3. Prioritizing Ideas

4

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
